NOTES: _____

Academic Tutoring is an optional activity that's not included in the camp tuition. The extra program fee is \$40 per 50-minute session. Advance registration is required. Tutoring is provided at camp by certified teachers and/or qualified graduate/college students in various subjects including reading, math, and conversational English (for international campers). Parents are required to provide Cayuga with the necessary study materials. We do not recommend enrolling in this program, unless it's deemed absolutely necessary. Since our camp atmosphere is not conducive to studying, we recommend no more than 2 sessions per week.
