Camp Cayuga provides transportation service to/from 3 International Airports: Newark Airport, JFK Airport, and WilkesBarre Scranton Airport. This service is optional and advance registration is required.

If you didn't register for Airport Transportation Service at the time you enrolled your camper, **and you know your camper's flight itinerary at this time**, you can sign up now by checking-off the appropriate box below. The fee for flights arriving/departing on official camp session dates is as follows: WilkesBarre Scranton Airport is \$120 (\$60 one-way); Newark Airport is \$180 (\$90 one-way); and JFK Airport is \$210 (\$105 one-way). If the flight date is scheduled on any date other than the official camp session, an extra fee will be added as follows: Newark Airport is an additional \$30 one-way; JFK Airport is an extra \$50 one-way; and for WilkesBarre Scranton Airport no additional fee applies.

If you haven't registered for Airport Transportation Service **and you do NOT know your camper's flight itinerary at this time**, do not complete this form now. We ask that you first complete the *Airport Transportation Service Request Form* to reserve space in the camp van. To sign up online for Airport Transportation Service, click "Forms & Documents" on your dashboard, click "Additional Options" and select your airport under the "Transportation" section. Note: Within 1 week of your camper's arrival, it is not possible to sign up online through "Additional Options". You'll need to register using the paper form (PDF) *Airport Transportation Service Request Form*.

Before making your camper's flight arrangements, read the Airport Transportation Instructions which provide information about scheduling your arrival & departure flights. The "Travel-Airport Instructions" are located under "Forms & Documents" on your dashboard.

INSTRUCTIONS: After making your child's flight reservations, complete/scan this form. To return the form, click "Forms & Documents" on your dashboard and select "upload" next to "Travel-Airport Itinerary Form".
